

# Haunted House Spread by Metafizzypop

This spread was created by Aeclectic Tarot Forum friend, Metafizzypop, who has graciously allowed us to use it here in celebration of the season! This demonstration features the cards of the Halloween Tarot by Kipling West, published by U.S. Games Systems, Inc. and available on their website in a cute new tin! Cards used to show layout only, check out the cards in more detail in the October TarotScopes!

1. *The Skeletons in the Closet* - The secrets you keep from others.
2. *The Rats in the Basement* - The secrets you keep from yourself.
3. *The Black Cat in the Parlour* - What makes your claws come out?
4. *The Jack O Lantern in the Kitchen* - What, or who, would you like to take a knife to and carve up?
5. *The Ghost in the Bedroom* - What, or who, haunts your mind or thoughts?
6. *The Spider in the Bathroom* - What totally creeps you out.
7. *The Bats in the Attic* - What drives you to the brink of madness.
8. *The Front Door* - The way out of all this insanity... or maybe, the way in. Mwahahahahahaha!!!!
